

Ashley Oaks Homeowners Association Architectural Control

Application for Review of Construction Plans

Included in the Association Covenants and Restrictions is a statement about Architectural Control. It is a very important component in the function of a homeowner's association. Its purpose and main function is to maintain the amenities and property values of the association. Keeping this in mind, homeowners are required to follow these simple steps when making changes in their home. (This would include additions, alterations, decks, flagpoles, or other work that requires a building permit from the City of Strongsville.)

STORAGE BUILDINGS, SHEDS AND TREE HOUSES ARE NOT PERMITTED

Step 1 – File with the Ashley Oaks Board of Trustees the completed application for construction below. Copies of plans/sketches must be submitted with the application form. (These will be returned to you.) A response to the application will be issued within two weeks of receipt of the receipt of the necessary information.

Step 2 – File with the City of Strongsville for building permit and inform them that you have submitted an application for review to the Association.

Step 3 – Association will send written response and return plans. Approval must be received before a building permit will be issued.
